

## BAPTIST BUILD 2016 FACT SHEET

### *What are we doing?*

We are bringing churches from the Wake Missionary Baptist Association (WMBA) and the Raleigh Baptist Association (RBA) together to build two Habitat for Humanity homes starting Martin Luther King Jr. weekend.

### *Why are we doing this?*

We believe all of God's children deserve a simple, decent place to live. Seeking to put God's love into action, we are bringing Baptists together to build homes and greater community in Jesus' name.

### *Where are we building?*

The 2016 Baptist Build homes will be built at 5444 and 5448 Neuse View Drive in Raleigh.

### *How long will it take?*

Construction will begin January 16 and continue every Thursday, Friday and Saturday for 10 weeks. We will need 50 volunteers each work day.

### *How are churches working together?*

Baptist Build churches provide the labor and funds to build these two homes. Churches are invited to provide \$6,500 to cover the cost of the construction materials and professional subcontractors needed for these homes. Large churches are asked to provide more, and smaller churches are asked to give as they are able. All are welcome.

### *How do I sign up to volunteer?*

The volunteer coordinator at your church has secured work dates for your church. Sign up for those work dates, and any other days you are available, through: <http://vhub.at/baptistbuild2016>.

### *Whom do I contact for more information?*

Contact the volunteer coordinator at your church.
